QuickBooks Online Conversion Instructions

Your <u>QuickBooks Online Web Connect</u> or <u>QuickBooks Online Express Web Connect</u> settings will need to be modified to ensure that your data connectivity transfers smoothly to the upgraded online banking system. You can make these modifications when it's convenient for you **anytime January 30, 2024 or later**.

IMPORTANT: QuickBooks Online Express Web Connect will not be available until at least 5 business days after January 30, 2024, so please utilize another connectivity type if you need transaction updates during this downtime.

QuickBooks Online Web Connect

Back Up

- 1. Complete a final transaction download.
- 2. Complete last transaction update before the change to get all of your transaction history up to date.
- 3. Accept all new transactions into the appropriate registers.

Modify Connection

In QuickBooks

- 1. Disconnect online banking connection for accounts connected to financial institution that is requesting this change.
 - a. Select Banking or Bank Transactions from the left column.
 - Click on the account you would like to disconnect, then click the **Pencil** Icon on the corner of that account box.
 - c. Click Edit Account Info.
 - d. Check the box next to Disconnect this Account on Save.
 - e. Click Save and Close.
 - f. Repeat steps for any additional accounts that apply.
- 2. Reconnect online banking connection for accounts that apply.
 - a. Download a Web Connect file (.qbo or .qfx) from your financial institution's online banking site.
 - b. In QuickBooks Online, choose **Banking** or **Bank Transactions** from the left column.
 - c. Click **File Upload** in the upper-right side of the screen and use the upload dialog to locate the Web Connect file you downloaded in step a.
 - d. Choose the appropriate account from the drop-down menu under QuickBooks Account and then click Next.

Important: Do NOT choose "+Add New" in the drop-down menu unless you intend to add a new account to QuickBooks Online.

- e. When the import is finished, click Let's go!
- f. Review the For Review tab on the Banking page to view what was downloaded.
- g. Click Next, and then click Done.
- h. Repeat this step for each account that you have connected to this institution.
- 3. Follow your regular process for importing new transactions.

QuickBooks Online Express Web Connect

Backup

- 1. Complete a final transaction download.
- 2. Complete last transaction update before the change to get all of your transaction history up to date.
- 3. Accept all new transactions into the appropriate registers.

Modify Connection

In QuickBooks

- 1. Disconnect online banking connection for accounts connected to the financial institution that is requesting this change.
 - a. Select Banking or Bank Transactions from the left column.
 - b. Click on the account you would like to disconnect, then click the **Pencil** Icon on the corner of that account box.
 - c. Click Edit Account Info.
 - d. Check the box next to Disconnect this Account on Save.
 - e. Click Save and Close.
 - f. Repeat steps for any additional accounts that apply.

Complete no sooner than 5 business days after January 30:

- 2. Reconnect online banking connection for accounts that apply.
 - a. On the Banking page, click **Add Account** in the upper-right side of the screen.
 - b. Type your financial institution's name and choose the correct option from the results.
 - c. Enter your financial institution credentials and click **Continue**. Express Web Connect uses the same credentials you use for your institution's online banking.
 - d. Provide additional information, if requested.
 - e. Ensure you associate the accounts for your financial institution to the appropriate account already listed under Which accounts do you want to connect? Choose the matching accounts in the drop-down menu.

Important: Do NOT select "+Add New" unless you intend to add a new account to QuickBooks Online. If you are presented with accounts you do not want to track in this QuickBooks Online Company, Uncheck the box next to the Account Name.

- f. After all accounts have been matched, click Connect and then click Finish.
- 3. Exclude Duplicate Transactions.
 - g. Select **Banking** from the left column.
 - h. In the For Review section, click the checkboxes for the transactions you want to exclude.
 - i. Choose Batch Actions > Exclude Selected.
